THE ENNEAGRAM

©2002

A CHRISTIAN PERSPECTIVE

RICHARD ROHR AND ANDREAS EBERT

A decade ago, Crossroad helped to introduce the Christian world to the ancient personality-type system of the Enneagram with the publication of *Discovering the Enneagram* by Richard Rohr and Andreas Ebert. At the time, it was believed that the Enneagram had its roots in Sufi mysticism. Now, in this new edition of *Discovering the Enneagram*, simply titled, *The Enneagram: A Christian Perspective*, Rohr and Ebert suggest that the Enneagram is genuinely Christian, dating at least to the Desert Fathers, with pre-Christian sources. (1994)

Praise for *Discovering the Enneagram*:

"Rohr takes us through the process of identifying and analyzing each of the Enneagram types and traits. He shows how to use this knowledge as a tool for finding new strengths, destroying illusions, and growing personally, socially, and spiritually." —*Spiritual Book News*

"*The Enneagram* has emerged as a tool that is forcing many of us to a brutal and converting honesty about good and evil and the ways that we hide from ourselves and therefore hide from God. It tries to address this 'compromise with life' and this 'evasion of reality' that the ego is so invested in and that religion often promotes..."

Andreas Ebert and I again offer the Enneagram as a very ancient Christian tool for the discernment of spirits, the struggle with our capital sin, our 'false self,' and the encounter with our True Self in God." —*From the book*

Richard Rohr, a Franciscan of the Cincinnati Province, is an internationally known retreat master, speaker, and writer. Presently he is the director of the Center for Action and Contemplation in Albuquerque, New Mexico. He has conducted workshops on the Enneagram for over a decade.

Andreas Ebert is a Lutheran minister, hymn writer, and translator into German of books by Richard Rohr, Walter Wink and Jim Wallis.
