Community Directory

This is the business and organization listing of Albuquerque Pride. Over the years the businesses/groups listed have been supportive of the GLBT community overall or Pride directly. If there are changes to the list or you don't see your favorite place or people, please contact Pride at 505-873-8084 to update our list. If an area code is not included, it is an Albuquerque number (505). We have shown those who are supporting Pride 2003 as of May 5, 2003. We know there will be many more by June 14 so check out the parade and booths on Pride Day to see who is out for Pride 2003 (please try to support those who support us all year long):
